Phone:7794816322

ABOUT ME

Dynamic and collaborative student with a strong foundations in python programming and machine learning .organized extracurricular activities, fostering team work and problem-solving skills committed to continues learning and improvement. Extensive knowledge of core subjects matter. Meticulous and detail-oriented with excellent observational and communication skills

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science & Engineering (Artificial Intelligence & Machine Learning) Aditya College of Engineering, India 2024– 2028 (Pursuing)

PRACTICAL EXPERIENCE

- Collaborated on group projects to complete professional deliverables.
 - Implemented Data Structures and Algorithms including arrays, stacks, queues, and linked lists using Java and Python.
 - Designed a responsive web page using HTML, CSS, and JavaScript.
 - Searched at library and in scholarly database to locate necessary information for research projects.
 - Collaborated with colleagues to share best practices and improve overall teaching effectiveness in the department.
-

TECHNICAL SKILLS

Object-oriented programming,
Front-end development, Machine
learning,Python,C

PROFESSIONAL SKILLS

- Fast learner
 - Team work and collaboration
 - Decision-making
 - Problem-solving
-

PROJECTS

Responsive Developer Portfolio Website

- Developed and deployed a fully responsive portfolio website using HTML, CSS, and JavaScript to showcase projects, certifications, and technical skills.
- Implemented a dynamic dark/light theme toggle using JavaScript and localStorage to persist user preferences across sessions.
- Designed modular and reusable UI components using CSS Grid and centralized styling architecture to ensure scalability and maintainability.

SIGN IN & LOGIN PAGES

- Sign in page to create an account in the data base of the website.
 - It contains user name ,gmail,phone number ,password,conform password
 - Languages:HTML5,CSS
-

CERTIFICATIONS

- Python Programming Certified by Cisco
 - Gen AI Powered Data Analytics Job Simulation ,Tata certified by Forage
 - Front end development Certified by Cisco
 - Machine Learning Certified by LinkedIn Learning
-
